PARKING

There is a fairly large lot on the church property – off Cedar Blvd. There is also street parking along the sides of the church lot.

PUBLIC TRANSPORTATION

The closest BART station is Union City on the Fremont Richmond line. From here it is a looong walk (over 4 miles) to the church. So, take Bus DB1 to get closer – From the Union City Bart bus stop ride about 10 minutes to the Ardenwood P&R lot. Then the walk to the church is about .8 miles.

For a shorter walk, you may use a second bus – From the P&R lot, walk to Newark Blvd: Jarvis Blvd. Then take Bus 200 southbound to the stop at Newark Blvd: Lido Faire. From here the walk is about .2 miles.

WiFi

There is limited wireless access across the church campus. The system works great for the church staff but we are unsure how reception will be in the sanctuary or how many users the system will support. Plan accordingly and print or download documents *before* coming to the meeting! Guest login information will be provided on site.

CHILDCARE

Childcare has not been used of late so it has not been requested for this meeting. (If you do need childcare for future meetings, let the Meetings Working Group know!)

LUNCH

Lunch will be a pasta / salad buffet. Tickets will be available for purchase (**\$10**) at registration. Alternately, you may “brown bag” it. There is not time in the docket for lunch “out”.
