

A Gift of Peace is Coming

The **Rev. Roceni Bakian** from the **Philippines** is visiting
the Presbytery of San Francisco
from September 21-25 and is
available to speak at your church,
formally or for an informal visit.

She is one of 10 International Peacemakers visiting the U.S this fall as part of the Presbyterian Peacemaking Program. As a committed full-time pastor, Rev. Bakian has a front row seat to the human rights challenges facing women and children every day. She hopes the “Visit will not only impart new learning and ideas, but will prepare her to be more vigilant and courageous in her own country.”
