Dear Jeff,

Broadmoor Presbyterian Church Mission Team split the \$5,000.00 we were given between the North Peninsula Food Pantry Daly City Dining Center and the Daly City Youth Health Center. Pallets of food were purchased by the Food Pantry. Counseling will be provided to several youth who seek help at the Daly City Youth Health Center.

We have been associated a number of years with both these entities and know that they do worthy work in the community.

In His Service,

Eunice Brabec, Ruling Elder
