## Worship Music Leader Job Description

### Specifics

- Part-time, average of 3-4 hours per week. This includes monthly planning meeting with the pastor, music selection, preparation (including music slides and mic setup/takedown) and worship leadership.

### General Job Description

- We are looking for a spirit-filled, Christian worship leader who can inspire the congregation to sing together with the support of either piano or guitar. We are looking for someone who is comfortable leading progressive contemporary Christian music while mixing in beloved traditional hymns and introducing new styles and songs.

### Desired Qualities

- Plan, organize and lead the music and worship components of a weekly Sunday service, as well as special holiday services (Christmas Eve, Ash Wednesday, Good Friday, etc.)
- Able to choose hymns, praise songs or other musical selections based on sermon titles and scripture
- Able to create/maintain slides and drop them into the appropriate places each week for the worship slide show
- Talented vocally, with strong musical experience with guitar, piano, or keyboard; other instruments a plus
- Responsible for recruiting suitable replacements when needed
- Responsible for maintaining and reporting a list of songs played in worship in accordance with CCLC licensing needs.
- A team player with good energy, positive attitude, organizational skills
- Any additional responsibilities asked of and agreed to

There is potential for this position to grow if the worship leader is interested in recruiting volunteers for a band or choir.

### Compensation

- \$150-175 per Sunday or service, depending on experience
- Other opportunities for worship leadership may include memorial services and will be compensated on a per event basis
