For Immigrants & Interfaith Movement for Human Integrity

On July 10th it was announced that the Sheriff was ending the West County Detention Facility contract with ICE over the next three months. Any detainees still at WCDF are being transferred to other facilities perhaps in other states. Immigrants being held in detention centers across the U.S. await hearings and are being separated from family, friends, jobs, and other responsibilities while they wait. If a judge allows their release, they still need to come up with money to post bond for release.

With this in mind, we're raising money to help fund payment of release bonds, and we have some great friends to help us! **Na Hoaloha** is Hawaiian for "Friends" and we are a group of friends who come together to play ukulele, sing, and dance Hawaiian and other songs. All donations from this free concert will be collected by St. John's Presbyterian Church and go to the WCDF Community Fund. Donations are tax deductible and receipts will be issued at the door.

The Concert on **Sept 29, 2018, 4pm at St. John's (25 Lake St, SF)** isn't just a chance to enjoy music and support a wonderful cause. It's also a time to learn more about what is happening regarding immigration, detention, and ways you can support migrants in our community.

Join us for a free concert, sing-along, hula dancing, and potluck
