

# MISSIONAL LEADER COHORT

SF  
PRESBYTERY

---

BY REWIRE  
JANUARY 2020

In our changing church world, new paradigms need to be adopted and these changes can be very difficult to implement.

Leaders often need a support network to help them along the way.

ReWire has created a process where leaders come together to learn and grow.

Our Missional Leader Cohorts are a 2 year process designed for maximum impact and minimal commitment.

MLC consists of five, 2 day retreats and monthly coaching sessions.
