WE CAN'T BREATHE VIRTUAL VIGIL

JUNE 21, 2020 AT 5:00PM / JUNETEENTH (FREEDOM) SUNDAY

WE CAN'T BREATHE is a faith-centered virtual vigil to denounce White supremacy & the impact of police violence on Black communities. We begin with 8 minutes 46 seconds of silence and remembrance of Black lives taken by police violence. We will then engage in a time of sharing about the impacts of White supremacy and a time of reflection on our roles in addressing and ending anti-Black violence and White supremacy in our society.
