

**ANNOUNCING THE**

**GRACE AND  
RESTORATION  
ANTIRACISM PROJECT  
OF THE WEST REGION,  
PRESBYTERY OF SAN  
FRANCISCO**

**This year-long project will involve the following:**

Work with a range of West Bay congregations to raise awareness and capacity on antiracism work

Work with predominantly white churches to build intentional partnerships with other congregations, particularly those of color, to learn from each other and work together to address the needs of marginalized communities

Engage racial ethnic congregations and clergy with resources and coaching in effective cross-cultural engagements, as well as new activities for self-care and community healing

Work with West Bay Antiracism Group to share specific resources on antiracism, structural racism, racial justice/equity and cross-cultural relationships at regional meetings and through regional communication
