NEXT SCHEDULED MEETING (Online)

November 9, 2021

We are the Body of Christ

We are God's people gathered to do God's work, and in prayer we seek to know the mind of Christ. Our time together is much more than a 'business' meeting; it is time for fellowship, worship, education and reflection - and, yes, some decision-making, too.

The docket for our gathering is constructed so that worship is at the center of our time together to highlight that Christ is at our center. We also begin and end every presbytery meeting with prayer. Additionally, at the meeting, we often introduce a spiritual discipline such as a chant or repeating song or a litany to help us be mindful that we gather as Christ's body, not primarily as a legislative body.

With these outward actions, we are invited to seek Christ's inward leading as we speak and listen to each other and to the Holy Spirit moving among us.

- The Officers and Staff of the Presbytery of San Francisco

At our next meeting we will.....

- Celebration of Ministries
- Nominations to 2022 PSF Committees and Commissioners to 225TH GENERAL ASSEMBLY
- Approval of 2022 PSF Budget
- Thanksgiving and Honoring our 2021 Necrology
