

First Time Commissioners' Orientation

Open Space

Led by the Transitional Executive Presbyter,
Laura M. Cheifetz

Are you a first-time commissioner to a meeting of
the Presbytery of San Francisco?

Attend this open space session to get a sense of
WHY and HOW business is conducted.

You will get a glossary of commonly-used acronyms (we
love those a little too much) and an orientation to the
typical motions and business items covered during
presbytery meetings. Even if this isn't your first time, you
are welcome! Bring questions and curiosity with you.
